

Thonangi Prasanth Kumar

B.Tech – Computer Science & Engineering (2026)

+91-9059518937 | thonangiprasanthkumar@gmail.com | linkedin.com/in/prasanth-kumar-thonangi

CAREER OBJECTIVE

Passionate Computer Science and Engineering student with strong skills in full-stack web development, cloud fundamentals, and problem-solving. Seeking an entry-level opportunity to apply technical knowledge to real-world systems, contribute to scalable solutions, and grow in a collaborative, technology-driven environment.

TECHNICAL SKILLS

Programming: Python, Java, C, C++, Data Structures in C

Web Development: MERN Stack (MongoDB, Express, React, Node.js), JavaScript, Bootstrap, Tailwind CSS

Cloud & Platforms: AWS Fundamentals, ServiceNow Platform Basics

Database: MySQL

Tools: Git, MS Office, Figma, Wireshark, Burp Suite

PROJECT EXPERIENCE

AVISHKAAR – National Level Hackathon Website

2025

Full-Stack Developer | <https://avishkaar.co>

- Designed and developed a full-stack web platform for a national-level hackathon using React, Node.js, Express, and Tailwind.
- Implemented team registration, participant management, event listings, and admin dashboards.
- Built RESTful APIs for handling registrations, user data, and event workflows.
- Ensured responsive UI, secure data handling, and reliable performance during live event operations.
- Collaborated with organizers to deploy, test, and maintain the platform end-to-end.

TECHNO VISION – Official Event Website

Dec 2024 – Feb 2025

Web Designer & Coordinator | techno.vision.adityatekkali.edu.in

- Developed and managed the official website for a two-day technical event organized by the CSE Department.
- Supported 290+ participants from 90+ teams with seamless registration and navigation.
- Ensured responsive design and stable performance throughout the event.

INTERNSHIP EXPERIENCE

Virtual Internship – ServiceNow Platform

2025

ServiceNow University | SmartBridge

- Completed structured training on ServiceNow platform fundamentals and administration.
- Gained hands-on exposure to ServiceNow Administration, Flows, and Automated Test Framework (ATF).
- Worked with reports, workflows, and platform configuration concepts.
- Covered Certified System Administrator (CSA) exam preparation modules.
- Built foundational understanding of enterprise service management and automation.

Community Internship – Awareness on Social Media

May 2024

Tekkali, Srikakulam, Andhra Pradesh

- Conducted workshops on digital literacy, online privacy, and misinformation awareness.
- Engaged rural communities through surveys and discussions to promote responsible social media usage.

EDUCATION

B.Tech – Computer Science & Engineering

2026

Aditya Institute of Technology & Management, Tekkali | CGPA: 8.1

Intermediate (MPC)

2022

Sri Chaitanya Junior College | 87.3%

SSC

2020

Board of Secondary Education, Andhra Pradesh | CGPA: 10.0

CERTIFICATIONS

- AWS Certified Cloud Practitioner
- ServiceNow Virtual Internship Program – ServiceNow University (2025)
- Introduction to Machine Learning – NPTEL (IIT Kharagpur)
- Introduction to Programming in C – NPTEL (IIT Kanpur)
- Problem Solving Through Programming in C – NPTEL (IIT Madras)
- Ethical Hacking & Cyber Security – Supraja Technologies
- Penetration Testing & Vulnerability Assessment – Supraja Technologies

ACTIVITIES & ACHIEVEMENTS

- Participated in web development hackathons and APSSDC skill development programs.
- Active member of Development Club and NSS Volunteer.
- Runner-up in Basketball, College Annual Sports Meet.
- Directed and acted in a short music cover screened on Annual Day.
